“ You are all in my prayers and in my daily thoughts. I just want to say that you are dearly loved and missed Uncle Dan! As a little girl you were always my Uncle I remembered due to the fact I thought you looked like a cop! Now from the day we lost you forward, I will always remember you as my amazing Uncle that put himself before others and was such a caring and selfless man. You will always be remembered as a hero in my eyes and I will always remember you and tell my children as they grow that you showed and proved true love. I love and miss you dearly!
