“ *Darlene and Bob were not only good friends of mine and my late husband's, but also close neighbors of twenty years. They were at all my parties, had many dinners together, holidays, and just sitting around each other's kitchen tables, having drinks and sharing stories! So much fun and so many memories.....Darlene, you were loved and will be so sorely missed. My thoughts and prayers and thankfulness go out to Mike, Jamie and their children and grandchildren for not only losing their loved one, but their wonderful care of Darlene the last several years of her life, when she needed them the most! The world has lost a bright light and me, a good friend!*
