“ *From the time we first met as students at Reitz, Dave never
changed. He was humble, compassionate and and as someone
said a "gentle giant". He endured the physical struggles which most
of us won't have to face, without complaining or feeling sorry for
himself. He was simply a wonderful human being. My thoughts and
prayers go out to Terri*

Dave's children and his family. Rest in peace my friend. Toby Shaw

“ As a Bosse '62 grad i knew almost no one from Reitz.....wrong side of town. This changed when i went away to Indiana State in Terre Haute. My new college circle of friends included a lot of Reitz grads and among them was Dave Carl. He was a little intimidating the first time we met...hunk of muscles. I soon learned what a gentle giant he was.

Great guy who did not deserve the blows life dealt him. Will be missed by all.
