“ My sincere condolences to David's Family. He was a very good man and a great police officer. Deputy Chief Fehrenbacher and I came on the Department from the same eligibility list. I never actually worked with him or for him, but we both served the Department for many years. I never ever heard a bad thing or word about David. The City was fortunate to have such a great public servant to the Citizens of Evansville. David was also a lifetime member of the Retired Police Officers and FireFighters Association. David, may you rest in peace, Brother, with our LORD.

*Most Respectfully,
Bert R. Weisheit, retired lieutenant, E.P.D.*

Ms. Fehrenbacher (Betty) ;
Sending my deepest sympathy in your loss. I am Roy Stofleth's wife and I know on the day Roy passed he and Dave talked that morning. I remember sitting in the hospital room and they both said, love you man before they hung up. Dave came to Browning, and wasn't suppose to be around alot of people at the time. I know he said he just had to come. I will never forget his kindness, even him dealing with his own issues.
Just know I am thinking of you and your family, I know what you are going through. These guys from EPD had a bond, for sure.
RIP Dave.

Knowing David was a great pleasure. He was a person who had a kind word for you. We shared the same badge for a while. When he joined the department he needed a badge to go to Plainfield for his training. I lent him my first badge to use. David will be missed. May God bless and keep him close
