I hate to hear this news. Dave and I were great friends. I always respected him.
His Dad Ray brought me up in the Gas Department.
Your family is the symbol of how to maintain a marriage and raise your kids.

“*Dave was a wonderful and caring man. I enjoyed working with him and loved how he cared so deeply for those worked with. He was so loyal to his community, his colleagues and his work, it breaks my heart he did not have more time to enjoy his retirement but I know he walks beside his family every day now, free from pain and suffering.*”
