“Daddy I sure will miss our Bible study sessions! And hearing you say I love you! Jesus loves you more!! Anyone who knew you knew you were a walking, talking testimony to the love and power of Jesus Christ our LORD and Savior! You always gave Him ALL the glory, and wanted everyone to know Him the way you did! I know where you will be for eternity and I'll see you again on that side of Glory!

“My favorite story of my dad is when he worked as a truck, driver and the back of the trucks would be dusty and he would write read the word in capital letters on the back of every truck he could, his boss at the time told him to please stop writing on the back of his trucks. my dad said either wash your trucks or I will keep writing read the word on the back of the trucks. Finally., the boss put the words read the word on the back of all of his trucks so when you see a truck driving around town and on the back, it says read the word that was my dad.!

“ I’ll always remember all those Bible studies we had together. He always worried about people who didn’t know The Lord. He called me his heart warmer. I’ll never forget that! I loved him so much! He knew that. I know he loved me too. My heart breaks for Bernadine. The love of his life. She’s a very special person. Love you so much Bernadine!!! Will always carry you in my heart David Lee. Love you!!!
