“Cousin Rick, Charlie, Alice, Marie, Rose, Michael, your brother Dave was “a chip off the old block”. So much like your Mom & Dad. Such great character. And with Lucy’s & the Boys help he continued that great tradition. He was everything & more what the people are saying here in their testimonies. RIP Dave 🕊

“I went to grade school and high school with David. I always liked him he was a quiet young man and never ever did I hear him say anything bad about anyone. To his wife and kids and the rest of his family, you have my deepest sympathy. You all are in my thoughts and prayers.

“I had a lot of classes with Dave at Mater Dei and remember him as smart but unassuming, never making himself the center of attention. To say that he was a good guy sounds like faint praise but David was a genuinely good guy. I was sorry to hear that he had a rough go of it the last few years. I'm sure the love and support of his family made it more tolerable for him. My deepest condolences to them. I'm sure they will miss him very much. May he rest forever in God's peace.
