“ *Dawn & Brittney*

What I'm feeling right now is hard to put into words. I am deeply sadden by the death of your father. He was so full of life, love and laughter. We never really lost track of each other via text, email or a call. Just making sure each other was doing ok, Happy B-Day & I always asked him what he wanted for Christmas. I always got the same answer.

We had a very unique loving relationship and marriage. A love that was meant to be forever a lifetime...wasn't. I'm grateful we remained friends and I will always love him. You girls will always be in my heart and prayers.

Love to you and yours, Denise##imported-begin##Denise Lowenhaupt (formerly Bohleber)##imported-end##

“ I am so sorry to hear the news. I know that he is now in a better place. He was always there with a smile or a laugh to brighten the day. While I worked mainly in Evansville, I did see Dave on my trips to our plant in Mt. Vernon. I will always remember his smile and him giving me "some kind of grief" about something. He will be missed by all.##imported-begin##Linda L Hall##imported-end##
