“ My Aunt Debi was one of the most beautiful people in the WORLD ! She Helped me When my father was in Viet Nam. We had our graduation Party together when she graduated from High School and I graduated from the 8th grade we lived together several times when my dad was overseas. She was a clone of Grandma Norman.I drove her first car a corvair when I was 13 years old. When she brought Uncle Bill into our Lives we were as excited as she was .Between the two of them they brought me through some very rough times in my life. I can never Thank them enough .God in Heaven Please Welcome this Saint with open arms.

“ *She and her sister Ann (Alwina) were always so thoughtful and generous. Once, she gave a furniture set to a former BMV employee who had two kids and needed to set up her apartment. She showed me that it's ok to let go of things for others who need them. She was funny, caring, and warm. What a loss this is for this family!*

As a former co-worker at the BMV, Debbie was so much fun when we would all get together for meetings. She was a great asset to our agency and truly missed upon her retirement. The sad news of her passing is felt by all of her BMV family who had the pleasure of working with her. She and Ann will never be forgotten. Love, comfort and prayers go out to her.

“ *Billy, Ryan, Missy, my heart goes out to you all during these agonizing times. I know that there is nothing or anything anybody can do to make this better. Deb was a beautiful person, whom gave of herself freely and expected nothing in return. I will forever be grateful for her generosity, and will miss her sense of humor.*
