“ *I never will forget the first time I was introduced to you by Lola,I do believe in all the time since,it was the only time I ever seen you speechless! You were so shocked when I said not only I knew you,but ya was my X-Sister n law! Lol! Never dreamed that chance meeting that afternoon,that you would become such a dear friend of mine! Not exactly sure which of us is craziest,loudest,or talks the most? I know you were absolutely one of the strongest women I have known,and have the biggest heart ever! Sure gonna miss you coming through the back door yelling Betty I'm here! Little advise...Slow down a bit now,don't try and run the show up there in Heaven,I think that job is taken. Lol! Besure and hug my Jacqueline for me and tell her momma loves and misses her so! Watch over us all down here and send me a sign every now and then to let me know you are! I promise to keep tabs on Amanda and Leland to make sure they doing alright! Much Love and continued prayers for Kenny, Amanda, Leland,Robert, Jamie, and other family and freinds of Denise!*

“ *I never will forget the look on your face at your wedding when you went to blow out the candle and forgot your veil was still down and you almost caught it on fire. I wasn't your sister-in-law very long but it was long enough for you to forever hold a spot in my heart. You will be missed girl.*
