“ *Sorry to see you go, Denise, but you will be free of earthly problems and pains. Was an enjoyment knowing you and playing Holdem with you. You were a formidable opponent and a pleasant person to be around. I was lucky enough to survive cancer once and had hoped you would be also.*

May you be resting with God.

“ I was very sorry to hear about Denise's passing. I went to school with her at Helfrich Park and at Reitz and will always remember her fondly. She was a bright spot in any day in which we crossed paths. You did a great job selecting her photo. It conveys her happy and comforting personality, just the way I will always remember her.###imported-begin##Lorena Havill###imported-end##
