“ *Lori and family - I used to work with Dennis many years ago at South Western Communications. I am so sorry to hear about your loss. Has such a warm friendly personality. Always willing to talk about anything that was bothering me. He will be truly missed. We know that he is with the Lord...no more pain...at peace.##imported-begin##Becky Harmon##imported-end##*

“ *Megan & Family,*

We were so sorry to hear about the death of your father. I wasn't feeling well and I didn't want to take a chance of getting you sick with the twins so we didn't make it to the funeral home. We want you to know you are in our thoughts and prayers during this difficult time.

“ Dear Connie, Buck and family,
I am Gloria's walking friend and we visited with you both several times last summer on the River Front. Gloria told me about your brother, Connie, and I am so sorry you have lost your wonderful brother to this vicious disease. May God surround you with his grace and peace.
In God's Love,

“ Lori, I am so sorry to hear about the passing of your husband. I know he fought courageously to fight it. It is never easy to lose anyone. I just lost my dad 1/18 and all I can think is he is at peace, no more pain or suffering. It doesn't make it easier but you know that Dennis will always be with you in in spirit and your heart.
Call me if you need to .
