“ *Derek gave me 3 beautiful children. The life we built together was everything i ever wanted. Despite any of the bad stuff, we made family our priority. Then just when we were in the midst of the hardest times, him and Gena came together and their love blessed our family with baby Victoria. Our big family was wild and complex, but we never had to doubt anyone's love for each other. Derek, we will keep it going for you. I promise.*

“ *Damn Doink... Words escape me. You left way to soon, Brotha... David hasn't stopped callin' me 'Peg' for days. You gave me that nickname over 10 years ago! You said "You look just like Peg! Big ass red hair and all!" You never referred to me as anything else. I was Peg. I am Peg...
Man, you are missed so much already. Terribly.
Thinking back thru the years and the holidays our families spent together. One big family having the best of times... I regret not making more of those memories more recently.
Until we meet again, Big Homie. 💜 🖤 😊*
