“ *Katerina, so sorry for your loss. Dewayne was a great friend and brother to me growing up. He was the only person I could discuss music and technology with. He had a big influence on my career choice, and I still benefit today from finding the right path with his help. Please know that Dewayne lives on in my countless memories of the time we spent together, as I'm sure he does in yours.*

“ *I met Dewayne at UE. He joined Sigma Phi Epsilon and became one of the brothers. He also became one of my closer friends there too. Dewayne remained a good friend after graduation while we both lived in Indy and after we both ended up in Pa. Dewayne and Katrina have ment so much to me and to my wife. I will do my best to keep a live the memory of my brother and friend Dewayne Hughes*

“ Katerina, we are so saddened by your loss. Dewayne was another neighborhood son to us as he and Mike, our oldest son 2 years younger than him, spent numerous hours together, brain stormed computers in their teen years (when they were coming into existence}, and were greatly interested in electrical engineering, both completing their degrees in this field. We so enjoyed his visits to our house - always being polite, intellectual, and fun to be around. He had a great and memorable smile. Mike thought of him as a "big brother." He was right there for Mike and Janice's wedding in Florida years ago. A fun time with him present.

*His closeness to his Mom and Dad was remarkable.. A genuinely loving and very caring son. We are loving the family pictures you posted !*

*I, Carol, will always cherish the big hug we exchanged after his mother's funeral service. We offer our prayers for him and you and will cherish our having had him in our lives.*

*May God wrap his arms around you to bring you comfort, peace, and strength now and in the days ahead.*

“ *Katerina and Family, I am so sorry for your loss. I remember Dewayne from high school. He was always so nice, smart and stood out from the other "redneck" boys in the high school. I always knew he'd be successful and make the world a better place.*

“ *Dear Katrina,  
I share Dewaynes loss with you on a very personal level. In this neighborhood, Dewayne was just one of my older sons. He grew up surrounded by competition, challenges and love that only a large crazy country neighborhood like ours can offer. I hope he shared some of those wonderful memories with you. He was surrounded by loving brothers and sisters and parents abundant.  
I always looked forward to your Christmas visits remembering those growing up years and getting to know you.  
I also very much appreciated his wise professional council these recent years.  
I pray your memories of Dewayne will brighten your future as it will mine.  
We're all better for the time we were given with Dewayne on this earth.*
