I am sorry to learn of the passing of Dolores. She was such a kind, loving person. I have missed her the last few years since she was no longer able to attend church. We always visited after church and kept up with each others family. May she rest in peace.

Alan and family I'm so sorry I missed the passing of Delores. I meet her when I worked for Citizens' National Bank many many years ago, we discovered we were both West siders and at the time didn't live that far from each other. She was so much fun to be around she will surely be missed

“ I am saddened to hear of our loss of Delores. Most of my fondness memories from working at Citizens Bank involved working with her. She was a sweet and kind person and I have so many cherished gifts that she gave me. It always brings a smile to me when I look at one of those gifts. Linda LaVey Ising

“ I first met Delores through her sister, Linda and brother, Marvin at St. Paul's UCC German Twp. where I was church secretary. As our friendship progressed she would occasionally call our church office with a question or comment. Always, she would begin the conversation with, "Hello, is this the lady of the house?" She had a quiet gentleness about her, a great sense of humor & I enjoyed our conversations. My sympathies to her Hollerbach Family & the Becker Family. -Pat Wheeler
