“ *I will always remember, when you came to help with the kids the week after Emily was born. Especially the night Emily had cried most of the night and you knocked on my bedroom door and said, "I'll take her so you can sleep." I got in bed and slept till morning. When I went downstairs I saw you and Emily both sound asleep in the recliner, where you had probably been all night! I wish I had an iPhone back then so I could post that picture I have in my memory of you and Emily sleeping so peacefully together.*
