“ pop i love u so much.and i miss u so much so i wrote this poem.
"Time travels so slow like the waves on a calm night.
When u left the earth i knew ur body was here but ur soul long gone.
Now there is no more pain, sorrow or greif.
Only the pain sorrow and grief of the ones u left behind.
Time travels so fast for u like a blink of a eye."###imported-begin###prenceton ###imported-end###

“ We are so sad that you are gone but so thankful you are no longer in pain. We had a wonderful time seeing you at the reunion. That is the way we will remember you. The last thing we said to one another on Friday when I called you at the hospital was, "I love you" and I will miss you Big Brother.
