“ Mr. Marrow, Just to let you know that I will miss you but I am rest assured that you are in a Better Place. You really cared for your students at Washington Grade School. I, as well as many other students and people in general, gained a lot of respect for you when you lost a lot of weight. And that's what I always liked about you. You proved, by example, to us students that anything was possible if you set your mind to it. You were kind and compassionate but not afraid to lay down the law when necessary. You were a great Christian witness and it's paying off now.god bless you and your family. T. Drew Hardin##imported-begin##T. Drew Hardin##imported-end##
