“ Don was such a fun cousin to grow up with. I will always cherish our childhood at our grandparents and many holidays. We were carefree and very happy and he carried that into his adult years with his sense of humor and smile. I will miss him. My love to all his family.##imported-begin##Ruth Seydel##imported-end##

“ Janie and family,
I am so sorry for your lost. Donnie was very good friend and companion. We went to school and work together at the frozen food company after we got out of school. We used to race home after we got off of work in the mornings. He was good friend. My prayers or with you and your family.

“ *"Il Don" and family:*

Don Sr. was a wonderful human being with a warm smile, a HUGE heart, who was always willing to lend a hand when it was needed. Our world is a little less bright today for his passing; but it is right we remember how much brighter a life it has been for his presence and the gift he has left in each of you.

With depeest sympathies,
