“ Larry and Donna's family, whom I never met, but heard so much about: I'm sorry this is so late in coming but I just could not seem to acknowledge the truth in writing. Donna was very special to me and always will be. She held my hand and helped me brainstorm as I launched my new business. In short, she 'Mom'd me, and at the same time managed to be a best friend. It was with regret that I had to move on, and now, alas, it is Donna that has moved on. She was a great mentor and touched many lives. Her example with community service will not be forgotten and I will be contacting the organizations she worked with to see if I can help carry on her memory. I will never fill her shoes, but for her, I will try. Donna, I know you're watching, so guide me. And may you rest in peace. Your freind forever, Renee###imported-begin###Renee Gibbs###imported-end##

“ Although I have only known Donna for the past two years, I truly believe she was an angel of God! She was instrumental in helping our Builder's Club form during the 2011-2012 school year. Her active involvement served as a positive role model for our middle school students, but she did not stop there because she encouraged me to get our Key Club going for the High School this year. As the principal of T DeWitt Taylor Middle High School, I know the impact she contributed to our school community. She will be dearly missed. My thoughts and prayers are extended to her family at this time.##imported-begin##Ron Pagano##imported-end##

“ All of us will remember this wonderful gentle and kind lady who gave so much to the children of our community. Her work with the Kiwanis club helped restore that club to its former glory. She deserved every accolade she received. Our parishioners of St Huberts Mission are especially saddened but celebrate her for the life she lead. Our prayers are with Larry and her family and hope their memories of Donna will turn into lasting treasures to bring them comfort##imported-begin##sue harrelson astor florida##imported-end##
