“ To Michael and children: Matt, Jason, and Andrew and the DeWig Family.

Please accept our deepest sympathy from all of us at Ferro Corporation.

She was a wonderful person, it was so pleasant to have a privilege to work closely with her during the time she was employed at Welborn Healthcare office. She took care of Ferro account by taking care of various problems and concerns. The last telephone call from her was when she said 'goodbye' to me and assured that there will be someone else assigned to take good care of us. There was only one 'Donna', one of the kind, and no one can replace her.

May the Lord bless and comfort you all while we are celebrating Donna's eternal life.
