“ *I had recently been thinking of Donna and wondered how she was doing these days. We had such a GREAT childhood on Glendale. She was my companion walking to Daniel Wertz, as she was a first grader and I was in kindergarten. I always looked up to her. She was always smart and very funny! She had a very funny giggle. We had lots of fun as kids with all the others in our great neighborhood, and I learned lots about life before I hit the preteen years from Donna. Remember the best and scariest Halloween party at her house. Bobby and my brother Tim were best buds and I remember many funny incidents between the two of them. God bless your family in so many ways and know that Donna will ALWAYS be fondly remembered.*

“ *I'm so very sorry to read this. I know you already know that they lived across the street from us when we lived on Glendale. I have fun childhood memories of hanging around with her and my sister Paula. Bobby was my age and his birthday was exactly a month after mine. I believe he died when we were 28. It was always nice running into any of them out shopping or eating. We always knew Stan too because they started dating even before they moved from Glendale. I remember seeing him there many times. You and all your family have my sincere sympathy.*

*When I was 4,I got a brand new family. My mother married Donna's Uncle George and I got not just a cousin, I got a Big sister I never had. Donna was always willing to help me with whatever I needed and never questioned our connection as family. She and Stan will always hold a special place in my heart and I will never forget her kind heart. You all have our sympathy, love and prayers for Peace and Comfort.

*I first met Donna when I traveled from Washington State to Evansville Indiana to meet my then two-year-old grandson Ethan for the first time. Donna and I had an instant bond together. A true grandma bond we knew would never be broken. And then along came Miss Ava several years later and again our hearts soled together. We talked and shared on the phone once a week, not just about our shared grandkids, but about ALL of her grandchildren. Whom she loved very much. I am so thankful for Donna as she was that kind grandma any one would want for their grandkids. She will always be remembered and always missed. Patty Tipton-Smallo*
