*I am so sorry to hear about Donna.
A flood of great memories came rushing back as soon as I found out about her passing. I reflected on all of the Sunday afternoons with BBQ chicken on the grill ,and after that it was the weekly pilgrimage to the race track..What a good time we all had, with Rodney's huge smile, Max jumping around the dinner table, Mike and I watching races with Snooky in the living room and Donna in the kitchen with Doris chatting away with her vibrant zest for life and a big beautiful smile. What a gift your family has given me, Great memories! And as clear as I reflect on the past , Donna will always be smiling in our hearts. My only regret is that I did not know her as an adult, but one thing for sure, she was a beautiful young girl.##imported-begin##Shirley (Nix) Ares##imported-end##*

“ I am deeply saddened by the news of Donna's passing. As many of you know, she and I were the best of friends years ago in school and I considered Don and Doris my second set of parents. Donna and I also worked together for a time at Farmers Bank & Trust Co. in Wadesville. On rare occasions when we'd see each other over the last several years, we'd laugh so hard while reliving some of the memories of days gone by. She will be greatly missed. My deepest sympathies to Don, Doris, Mike, Max, Mark, and families.###imported-begin###Donna Hamman Hills###imported-end##
