“ *I enjoyed working with Doriene at Holy Redeemer. She had a fun and loving personality. She was always welcoming to the kids who stopped by to say Hi. In recent years we reconnected at St Joe at our grandkids' ball games. Will miss her smile and laughter. Our sympathy to Steve and family. The Kassenbrocks*

“ *The Doriene that I remembered and loved was a wonderful person! We used to listen to records in her parents carport in Columbus Georgia. Played spin the bottle and did silly things together. I spent some special moment with her in upstate New York and then we went our ways! I am so sad but know that she is in the arms of her mother and father who I adored too. What a special person. You will always have a special place in my heart. Bill*

“ Doriene came into mine and my classmates lives at a young age, along with her family. It didn't take her long to make herself loved and respected by all of us. Her greatest accomplishment is her daughters. I had the honor of being classmates and friends with Stephanie. She taught her kids to be compassionate and caring, especially those of us who were outcasts. I'll always have a soft spot for Mrs Markin and really lover her entire family. My deepest condolences to Steve, Stephanie, and Michelle.
