“ Dorothy was a very generous and kind woman. She was funny, witty, kind, honest and loved her kids. She often spoke of her family. She was a good person in every situation. The world lost a great woman. She will be missed by everyone that ever knew her.

“ Met Dorothy through a mutual friend, she had a hand in getting me a job at Stewart sandwiches many, many years ago. We became fast friends. Spending a few after work time at Gloria's Coral Club discussing and cussing men, lol. Spent one evening with two other co-workers, Judy who has passed recently and Jeri who passed years ago, at her home playing pool. We would call each other out of the blue through the years and catch up. Once she called me while she was bored at work in the late hours at the water department one evening and asked me to come over and sit and chat with her, I did. After I had my son I took him over to meet her, that was also many years ago. I regret that we had lost touch with each other but that is how things usually go. Each time I would see her she would always say, "How's Joe", the first time I asked her "Joe who?" "jo mamma" was her reply. My deepest condolences to all her family. Hazel Montgomery

“ I only knew her the last few years but she accepted my two girls and I like family. Her home was always open for a visit and sometimes it was as if everyone was dropping by at once but she would take time to sit and speak with you as if you were the only one there. You got straight talk and love in equal doses. I shall miss her.
