“ I was one of the nurses that cared for Dorothy and I have to admit I had more fun with her she always made my day no matter what. I loved her quick wittiness and just her overall outlook. She had to be one of my favorite patients. I will always remember Dorothy. You go find your gold mine Miss Dorothy 💕💕💕

“ I so loved eating at Captain D's either with her or eating there when she was eating with her "telephone" buddies. We would talk about men, finances, enjoying life and her family. Dorothy always brought a smile to your face. And yes she spoke what she thought. I'll remember her with a smile. Thoughts & prayers for her family and friends. Pat LaRoy Miller
