“ *My sympathy to the family of Dottie Newman. Your mother was a real lady and I am glad I had the privilege of knowing her. She was the store photographer at Stewart`s and I also worked in the office there for several years. We always had lunch together during that time and she often spoke about her daughter and son and as we grandmothers often do, a little bragging about the grandchildren. I have thought about her often these past few years. I hope Dottie died peacefully and didn`t have to suffer.##imported-begin##Ella Mae Johann##imported-end##*
