*I know you loved your mother dearly. When I went to visit you she was living with you at the time. You took such great care of her and she was blessed by you as a daughter. I know that Skippy showed his love for her as well in her years at his house too. She was a blessed mother and her family treasured her. Now she is dancing with Jesus and her husband in heaven...the ultimate "dancing with the stars". Love you all!*
