“ *My condolences to Becky, Joe and Ben. I am so sorry to hear of your loss. I miss those days of visiting your family and getting to play with the cats and kittens, walking through the woods and playing in the big basement. It makes me smile to remember how he would tease me as a child.*

“ I moved back to this area 5 years ago. When I met Stoney for the 1st time at Darmstadt Inn I felt I had stepped back in time with his retro westernware. I loved it.
He would come see my boyfriend Troy Miller play music & was always so loving to me. He loved the Merle Haggard songs Troy plays, he loved my Red Wing boots & loved to laugh & smile. He will be missed. So long for now, Cowboy...

“ My brother Ray Timmerman remembers the many family reunions Uncle Curt and Aunt Lucy’s “New” house. Unfortunately by that time I had left home and I think was only able to attend one of those. I remember the many times we spent with our cousins at the “old” house in the country close to Haubstadt. Why is it that many times we only look back when someone passes. I’m so very sorry to hear of “Eddie Bill’s” passing. He will always be Eddie Bill to me as that’s who he was to me. I too remember Ed staying at the cemetery until the last shovel of dirt was on the grave. I wonder who will be ever watchful for our loved ones now that Ed is gone.

Paul and myself are prayerful and thinking of the Richardville family during the time of sadness.

For Eddie Bill: “Long after we’ve said our goodbyes, our hearts will remember.”

“ My sympathy to Ed's family. So sorry to hear of his passing. Ed was truly one of a kind and he never changed. Whenever we ran into each other the conversation would always transfer back to shop class at Central HS, the things he would remember was mind boggling. Truly a wonderful person, an original “Stoney Burke”. We will miss you Cowboy!

“ I will never forget the many family gatherings we had together, often in Uncle Curt's basement. Sometimes we would shoot a game of pool, (I always lost), but more often than not, Ed, Duane and I would take a long walk outside. We always did that no matter where the reunion was, and it was always such a good time. I always hated when the reunion was over and we had to go back home because I knew it would be a while before we could get together again. Our dads always had good visits together as well; Uncle Curt, Uncle Everett, and my dad Jim. My dad was the last of the three to pass away. I remember at my dad's funeral Ed did what he always did at the funeral of one of our loved ones. He supervised the burial site all the way to the end just to make sure all was done right. I watched from a distance that day because I just could not bring myself to watch my dad lowered into the ground. I knew that was not the end, dad is with Jesus now and he was then, but it was just too hard. Ed assured me that "I've got it covered....its alright." Ed, Duane and I talked again that day like we did so many times when we were young fellows. Duane said the most profound thing I ever heard him say and I have never forgotten it. He said, "Well, I guess we are the 'old guys' now." He was right. I know that Ed was a good, good man that I'm sure Uncle Curt and many others, I as well, were very proud of. It breaks my heart to know that I won't be able to visit with Ed again in this life, but I look forward to, I long for the day when we will be reunited again in God's glory. My prayers are with all the family and friends. 2020 has been a tough year for us all and this makes it a lot harder, but God is good. He has told us that "...in this world you will have troubles, but be of good cheer, I have overcome the world." John 16:33

“ Dear God:

Thank-you for sending your faithful servant Eddie Bill(as we called him),to be among us.

Knowing him blessed us all,he was always a loving grandson,son,nephew,brother,cousin and friend.Our memories of him are a most cherished and precious gift.He was one of the best people I ever knew.He was genuine and humble,and truly enjoyable to be around, intrested in others.If he could do something to help you he would without hesitation.

Lord we are grieved that you called him home,but are overjoyed that to absent from the body is to be present with You.

Lord,I ask that You give his family peace during thier grieving.

In the name of JESUS I pray,

Amen

“ As a kids we all grew up together , so much fun , now and then we would get the look and have to hit the chair !!! (in trouble and had to sit down in the tv room)

Then we grew up I remember Ed working on a well by my house , I skidded on the brake and backed up the Alcoa highway. He laughed so hard and said my mom would have done that too! I hadn't seen him a a while and “ by God I was determined to see him then “ our parents used to say by God , that meant they were gonna do it no matter what ! 😍

Ed I couldn't come today , but I know you are already watching over us all and you know all things God does that u know ! Bud I LOVE you always have , I will miss seeing you . But we All shall be together one day I believe shared a car that Mom wrote ... all together with the Love of our God

“ I remember spending a lot of Friday and Saturday nights at Darmstadt Inn drinking Double cola and an occasional shot of Jim Beam, listening to the jukebox. And jumping in his 55 Chevy and heading to Haubstadt to meet everybody at Dave's lot. And sometimes going and watch some of the guys drag race at the 1/4 mile. The dances at Kramer's lake on Sunday nights. And the just hanging around at the old school house. There are very few memories of my teen years that did not include Ed. You will be missed by many and along with all your stories. RIP Ed and keep drilling those wells in heaven. Carol
