“ *Eddie was a kind even tempered fellow, when we were young David and I would take on Eddie and Jerry in a game of basketball or football, It was always a toss-up who would win, even though Eddie was older and more accomplished he always took mercy on David and Myself. I remember growing up with the Spaetti's as neighbors, Eddie was like having a big brother.*

“ *I was able to spend time with Ed over the last couple of years. He
was such a sweet person and when he spoke of his children and
grandchildren he just smiled from ear to ear. It didn't matter if he
was having a good day or really struggling he always enjoyed
talking about his kids. I will always cherish the time I was able to
spend with him. Libby I know how much you loved your father and
you were such a loving, caring, tentative daughter and I'm so glad you
were able to spend so much quality time with him. I'm so glad you
were able to keep him home before his passing. If there's anything I
can do to help please let me know. It was a great honor to know
your father. You have my deepest sympathy.*
