“ I want to send my love and prayers to your family at the difficult time. Ed was our former neighbor and we loved him very much. I knew he loved my kids because every time they put their fingerprints on his clean windows, he would just smile and patiently talk and play with them. After a little while and my children were back home, he would pull out the Windex again and clean them. Thank you, Ed, for being so loving and patient!##imported-begin##Steve and Traci Welp and Family##imported-end##
