God has certainly gained another special angel. Eileen was always a close friend; everyone here will miss her. We had a wonderful trip to Hawaii and spent so very many memorable times together over many years.

“ Our favorite memory of Aunt Eileen is our trip to the west coast when the four of us traveled by car to central California and spent a week in a beautiful beach cottage at Morro Bay, having a private tour of the Hearst Castle and enjoying food and fellowship in such glamorous spots as Palm Springs, Malibu and Santa Barbara. Eileen loved to travel, and this trip was truly special for all of us.
