“ *Was so sorry to hear about your mom, Beth. Even though I didn't know her, I'm sure she was a lovely lady . . . her daughter sure is! Know that I'm keeping you and your family in my thoughts and prayers.*

“ *I knew Miss Ellie and her husband from Franklin Street Dentistry. I always enjoyed their visits and especially enjoyed Miss Ellie's beautiful smile. It's been over almost 2 years since I saw them and didn't realize that Ray had passed away too. They are together again and celebrating, I'm sure.*
