“ Dear Denny,Eugene,Kenny,Waynie and Family - We are sorry to hear about Aunt Norie's death. We loved her and will miss her very much. We are so sorry that we didn't make it up to see her one more time before she passed away. Hopefully we will see her again in heaven someday. We will remember her great laugh. When we were teenagers and they lived on the farm, she would always sneak us 25 or 50 cents and say "Don't tell uncle Sylvie". We knew he wouldn't care but we never did tell him. In more recent year when we came up to visit she would go with us to visit relatives and people she hadn't seen in a while. We would be gone all day and had to stop for a brain sandwich before we came home. She never wanted to take Uncle Sylvie because he would get tired of sitting and want to come home too early. She missed my Mom and Dad but now she is with all her brothers and sisters, Uncle Sylvie and her sweet baby Brenda. We are sorry we can't come up for her funeral but we will have a Mass read for her at our Church. We are sending flowers that will hopefully go on her grave. Keeping you'all in our prayers. When we would call her she would always end by saying "I love you" and we would tell her we loved her too. We love you, Patty, Jerldine, Bill and Kids###imported-begin##Bill and Jeri Fischer and Pat Schenk, Grand Prairie, Texas###imported-end##
