“ Dear Judy & Bob and family
We are saddened at the news about your mom passing away. Over the most recent years when I would see her she always seemed so "with it" I guess I sort of thought she would go on and on just like that. We know better, but when they remain with us for a long life it just seems that it will always be that way. We lost Tom's mother last Christmas Eve (2007) at the age of 97 and like your mom she was so full of life, that it seemed it would continue for a long time. When she fell and broke her hip that was the beginning of her leaving us, she never quite recovered emotionally or physically from that. Judy I remember your mom always being so caring and considerate when our bunch of girls would descend on your house for one reason or another. She always seemed interested in whatever crazy thing we were into at the time. I don't remember ever seeing her without her beautiful smile. We must have driven her nuts sometimes. I know you will miss her very much. You & Bob and your brother and sisters have our deepest sympathy. We would have come to the funeral home, but we both have terrible sinus colds, thought this would be a better way to extend our sympathy. God Bless All!

“ Barb, Tom, Pat and Don,
We are very sorry to hear of the passing of your Mom. Our sympathy and prayers are with your family. Your Mother lived a full, wonderful life! We were told that she was able to live in her own home all her life. How wonderful. You will mourn, but God is celebrating her new life with Him.
