“ *Dear Tom & Rosie and all the Zenthoefer & Harrison family. We are so sorry to learn of Bettye's death. Of course we knew you both a little bit better than your older & younger siblings, because we were in the same class at Sacred Heart & Mater Dei. But no matter your age younger or older everyone knew Bettye. She was such a hard worker at everything she did, but always seemed to be having such fun doing whatever was needed. You knew you were in for a delicious, hot meal when she was in the kitchen. She will be greatly missed in many many ways! God Bless all of you!###imported-begin##Tom & Mary May###imported-end##*

“ *Dear Helen (Hardesty)*  
*I was saddened to read of the death of your sister. When I looked at her picture I could certainly see the family resemblance. Her obituary was beautiful and it seems she loved and embraced life just as you do. Again, my deep sympathy to you.
