“ *The Knoffler Tapes Rule!!! My family and frdnies still talk about the copy I had 15 years ago. In the many moves I've done I lost that tape (along with my favorite Plasmatics Tape (The Maggots)). I can finally relax knowing that I have aquired the last piece of my rare audio collection. Thank you for this, it's pretty clever, eh little chum? ##imported-begin##Rita##imported-end##*
