“ *these recordings are so fkieran hilarious, i remember them when i was in high school.i have a different theory on his location which may also explain the accent. there is an odessa in FL in the tampa area.also, there is a garfield dr in a city called holiday FL which is very much in the nearby area.there's also a place called coral reef . i had thought these calls took place in FL honestly.##imported-begin##Belle##imported-end##*

“ *I am so sorry to hear of the death of Eloise. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.##imported-begin##Lindsey##imported-end##*
