“ I am so sorry to hear about your loss. Elvera was such a nice lady. I know my mom Rosemary thought alot of her. I can remember all the ladies drinking coffee and tea in mornings and gossiping. I saw her a few years ago in Boonville and we talked about quilting up at Village Merchantile. So sorry again, she will be missed.##imported-begin##Linda Titzer Fisher##imported-end##

“ To Mike Herr and Kelly Herr:

*Boys, I have such nice memories of your mother. From the time that you both were at Chandler Elementary and the many years since. She has always been one of my favorite parents that I have experienced during my teaching career. She always had a smile and was so pleasant to talk with. I have seen her several times over the years since you boys left sixth grade, and we always chatted - a lot about you two. She was very proud of you and her grandchildren. I am very sorry to hear of her sudden passing. You can cherish the fact that you had a loving mother who made life more pleasant for those who knew her. With my sincerest sympathy, Connie Christmas Warren###imported-begin##Connie Christmas Warren###imported-end##*

“ I knew Al from the sewing clubs we both attended. She was famous for her beautiful quilting and will be remembered by those fortunate enough to have one. She and I shared our love of the St. Louis Cardinals and I was always amazed that she rooted for the Univ of KY Wildcats.

*My thoughts and prayer are with you in your loss.*

“ Words cannot express our thoughts over the passing of Al. We will always treasure the memories spent with you and Al at the lake. Remember the time we went on a chilli run and walked out of the Blue Grass because they did not have chilli. Some of our happiest times at the lake were with you and Al.
