“ *I am proud to have called Ernie a friend for the past 30 years. I met Kim & Ernie in 1982, and worked with Ernie for 17 years. He was so dependable, dedicated, and funny! He could always make me smile. He was so proud of his daughter Allie. He made the world a better place for the time he was here. I'll miss you, driver!###imported-begin###Maureen Stephenson###imported-end###*

“ *We have so many good memories of Ernie. I attended many Indy 500's with him. The bad part was that he wanted to be the first one in the gate and the last one to go home. That makes for a really, really, long day. All he needed was 6 Double Colas, "Double or nothin'." He was a tall guy, easy to spot in the crowd. When I picture Ernie right now, I see him sitting in the nearly empty grandstands at the Speedway, at the crack of dawn. He was one of the most pleasant personalities we've ever known. I'm happy I knew him.###imported-begin###Ed and Wreatha Carroll###imported-end###*
