“ *Our deepest condolences and love for Eva's family. My memories of Aunt Eva is at Grandma Weber's house and at family reunions. The last time I spoke with her was at a family funeral several years ago. I remember her as a very kind person, but she could be firm and you listened to her. The Tribute Video is a beautiful memorial. RIP in peace Aunt Eva. God has called you home and will be welcoming you at the pearly gates.
Lots of Love, Donna (Seib) Katsoudas*

“ I remember when she joined the Weber family, not the wedding, but seeing her in her house with Uncle Jeannie, (a child's name for Jean.) She had a GenAir stove and my Mom wanted one when she saw it. She was older and had her own kids 2 or 3 boys but that was okay. (I was a kid too, a bit older then her oldest.) I think she was good pick because there was less drama after that, well till the boys became men but that's another story.
