*Dad I will forever remember you with your shirt off beer in your hand and grilling as we all gathered around our pool just waiting for you to finally decide to actually make one of your rare appearances in the water. Especially during my high school graduation party when me Chad and Bubba all three couldn't even throw your ass in the pool. But those were the past days now I'm looking forward to our future ones until we meet again I'll hold these while you go and Prepare those*

*Well Cuz your time came way to soon. I can remember when we were on the basketball team at St. Anthony. You used to run circles around me and you never missed a lay up. Then when I started going to the VFW again after a 15 year absence I saw you. I said the has got to be Florian Schenk. We looked at each other and at the same time said each others name. But you let me know you were "J R". Since then we spent many days at the VFW talking solving the worlds problems and knocking down a few. Glad I was able to get you to do the painting at our house. You did an excellent job. I am sure we will meet again in the hereafter so CUZ you rest in peace*
