“ I would have been there had I known. So would your children and the rest of your family. Kids, I'm so sorry this is the way you had to find out your father died. Only God knows what causes people to do such cruel things to others. RIP Gene, I'm sure it will be more than you had the last years of your life.

Your Sis,

Susie

“ Thank you Dad for the memories! Thanks for talking with me the last couple of weeks of your life. Sorry I couldn't be there for you, but Fay didn't even let any of us kids know you died! We found out online. What a terrible human being!
