“ I was Mr Voelkers' night shift nurse at Pine Haven. I really enjoyed taking care of your father. He had a funny dry sense of humor. Every night I would try to sneak into his room and take his blood sugar without waking him up. He would always catch me and then call me a vampire. He also told me to stop calling him Mr. Voelker. He would say "there's no Mr. Voelker in here", the name's Francis. God Bless You.##imported-begin##Kimberly Thompson##imported-end##
