“ I send my condolences to Patty and all Gary's family. Gary was a coworker for a number of years, and was a big help to me when I was just starting out. Never got the privilege to have him as my supervisor, but I still saw him nearly every day until his retirement. He was still the same, supportive guy, often saying something funny to brighten the day. He always had a kind word for me, and treated everyone like a friend. Taken too soon, Gary will be missed.

“ So sad to hear of Gary's passing. I met Gary at Mead Johnson when he became one of my supervisors. I remember him with a great fondness and respect. A great supervisor to work for. I enjoyed his sense of humor and willingness to help out when I and others had problems on the job. I knew I could trust his decisions and opinions. My deepest sympathy to all his family and friends who loved and cared for him. You are all in my prayers and thoughts during this time of loss and sorrow. Rest in peace, Gary.
