“ *I'm so sorry to hear of Don's passing. I ran into Nate today at the golf course and he told me. I would have been there if I had known. He fixed my cellar when the flood waters caved it in but my best memories were the early morning times at Cambridge. We were always right behind you and it was golf as it should be played. I am so glad I had some time on this earth that I got to spend with you guys. He was a special person and will be dearly missed. My thoughts and prayers are with you all.*

“ When we moved into our new home in the Cambridge Golf community in 2022, the first person we met was Judi Jellison. She welcomed us with a homemade dessert, as I think she did for almost everyone who moved into the neighborhood.

Judi was all around Cambridge, often on her 3 wheeled bicycle, which was surely one of the ways she stayed so fit and maybe the exercise helped her maintain such a sharp mind. Judi did not talk about herself much, but a lot about Don. We learned that Don was not as mobile as Judi because of a previous surgery he had. Judi was very proud of all Don's accomplishment, especially in the construction world, including building their beautiful home in Cambridge.

Don was very social, and although he didn't get around as well as Judi, she told us to stop by their house anytime that Don had the garage door open because it meant he was waiting for visitors. The door was open a lot, and many of us accepted the invitation. Since living in Evansville we have moved out of town to help babysit our 3 young grandkids. We will never have better neighbors or friends than Don and Judy Jellison and their family members that we were lucky enough to know.

Our love and sympathy to Judi and all her family and friends who are grieving the loss of Don.

“ The “man of steel” has left all family and friends for a better place. I will miss our weekly talks and times that have been spent together over so many years. We have golfed, worked, baseball games, bar hopped and spent so much time enjoying life as friends. You will never find a guy as great as Don. Prayers to Judi and all whose life he has touched. Your friend, Dean

“ Today, I am saddened by the loss of a very dear friend. A man who was not just a friend, but a beacon of strength, dedication, and unwavering love. Don Jellison was a remarkable individual who touched the lives of all who knew him. His passing has left a void in our hearts that can never be filled, but his memory will forever be cherished and honored.

Don was a man of exceptional intelligence and an unparalleled work ethic. Despite facing immense physical pain, he never allowed it to dampen his spirit or hinder his commitment to his responsibilities. He faced each challenge with unwavering determination, inspiring all those around him with his resilience and fortitude. Don's work ethic was a shining example to us all, showing us that true strength comes from within.

Beyond his work and perseverance, Don was a man who cherished his family above all else. His love for his wife Judy, his daughters, sons-in-law, and grandchildren knew no bounds. He was a devoted husband, father, and grandfather, always putting their needs above his own and showering them with love and support.

To many of us, Don was more than just a friend; he was a pillar of reliability and support. In times of need, he was a steady presence, offering a helping hand or a listening ear without hesitation. His friendship was a rare treasure, bringing comfort and solace to those lucky enough to call him a friend.

As we say our goodbyes to Don, we take comfort in the belief that he is now in a place free from pain and suffering, surrounded by the love and light of the Lord. Though we will miss him dearly, we find solace in the thought that he is waiting for us in heaven, ready to welcome us with open arms.

Don, your memory will live on in our hearts forever. Your legacy of hard work, perseverance, and unwavering love for your family and friends will continue to inspire us each day. Rest in peace, dear

friend, knowing that you are loved, cherished, and deeply missed. Until we meet again in paradise, may God bless and keep you always.

With love and respect,

Rick & Monica Smith
