“ *I was so upset to hear about Genny passing. I was a nurse at PineHaven and took care of Herb. Genny was a kind, thoughtful and giving woman. She often did for others before herself. I so much enjoyed being a part of the anniversary party they celebrated at the facility. She made me eat the cooked purple cabbage even though I told her I did not like it. She also brought me a pair of earrings from a trip she took overseas. I often wondered about her after Herb died. They were such a beautiful couple. I will never forget she would make him kiss her in the afternoon before she would leave the facility. I am truly sorry for your loss and am blessed to have been a part of their lives.*
