“ Skip and Darryl, my heart aches for u and ur family. I know too well what it it feels like to loose ur mother...irreplaceable. I only met her a couple of times but remember my own mother speaking highly of her. My brother, Charlie always liked spending time at ur house which speaks volumes n it self. She made him feel like one of her own kids. May God Bless and help u and ur family thru this pain. Love the memories and u all...
