“ *Hi. I was sad to hear about Gloria and about your loss. I was her housekeeper at West River. She was one spunky lady. I told a few people she was actually one of the most non BS people that I knew. I really liked her.##imported-begin##Kristi Wargel##imported-end##*

“ *David and Jill,
I am sorry for your loss. I know it is difficult time. It appears that she lived a great life and got to see the next generations of the Herrenbruck family by becoming a great grandmother. Thoughts are with you and your family during this time of mourning & reflection.*
