“ *I knew Glynna from visiting Pine Haven. We worked on many a craft together, then we would have to find a place for them in her room or on her door. I also know she loved the Cardinals, she would never miss a game if at all possible. I'm sorry I could not visit her these last few months because of the restrictions but may she rest in peace.*

“ *Memories are countless in the many the years we have known Glynna. She was an avid worker for Jesus through the Church. We spent many hours together in work of the Church and at play. Glynna was an outgoing person and found joy and humor in life. We will miss her and we look forward to seeing her in eternity. Peace and rest, Glynna. Anna and Willie Jenkins*
